

**191—4.22(17A) Scope.** Division II of Chapter 4 outlines generally applicable standards and a uniform process for the granting of individual waivers from rules adopted by the insurance division in situations when no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede the rules in this division with respect to any waiver from that rule.

Division II of Chapter 4 shall not preclude the division from granting waivers or variances in other contexts or on the basis of other standards if a statute or agency rule authorizes the division to do so and the division deems it appropriate to do so.
